Open Phenotype/Genotype Heifer Show

The Inaugural Missouri State Fair Phenotype/Genotype (PGS) Open Heifer Show will take place following the selection of the group classes. This is a new show conducted by Missouri Angus Association with half of their score based on the animal's genomically enhanced EPDs and the other half on phenotype. Ties are broken on phenotype.

Eversole Angus is graciously sponsoring the show and awarding these Angus exhibitors a total of \$2,060 in cash awards.
