

2026 Missouri Angus Futurity

Policies and Rules

Updated April 2025

- 1) A maximum of five entries per membership in the Missouri Angus Association may be consigned. This sale is open to all Missouri Angus Association members.
 - a. Entries can consist of up to five females or a combination of bulls and females with no more than three bulls per consignor. For each bull consigned after the first, there must be one female consigned as well.
- 2) Any animal alive at the time of consignment must be genomic tested and parentage completed before the sale book is printed.
- 3) All bulls over 15 months of age must have a passing semen test at the time of the sale. All bulls under 15 months of age that sell without a passing semen test at time of sale must be guaranteed to pass a semen test by the time they reach 15 months of age. The maximum age of bulls to sell is 30 months.
- 4) All non-virgin bulls and all bulls over 24 months of age must have a negative test for trichomoniasis.
- 5) All entries will be charged a \$250 entry fee with the entry fee being paid by the December entry deadline. Entries will not be cataloged if entry fee is not paid. The entry fee will not be refunded after the December 13th deadline. Consignors will then be charged sale commission for additional expenses.
- 6) All live entries must be registered at the time of consignment in the consignor's name prior to the entry deadline. All live cattle are required to be on the premise for the sale.
- 7) All entries must be **AMF** (Arthrogryposis Multiplex Free), **NHF** (Neuropathic hydrocephalus Free), **CAF** (Contractural Arachnodactyly Free), **D2F** (PRKG2 Dwarfism Mutation Free), **OSF** (Osteopetrosis Free) and **M1F** (Myostatin nt821) or have no potential carriers in the pedigree, this includes all service sires as well. It is recommended that cattle at risk for **DD** (Developmental Duplication) should be tested; **DDC** (DD Carrier) cattle are eligible to sell. Cattle with **OH** (Oculocutaneous Hypopigmentation) are eligible to sell.
- 8) Additional consignor responsibilities include:
 - Providing a professional photo and video for each live lot.
 - Working with new buyer to arrange transportation.
 - Transferring the registration paper to the new buyer of live lot within 30 days of sale.
- 9) All cattle must have an official EID tag and appropriate health papers within 30 days of the sale date.
- 10) In addition to the rules above, all cattle sell under the standard terms and conditions of the American Angus Association. Those rules can be found at:
http://www.angus.org/Pub/suggested_sale_terms.pdf
- 11) The sale will be managed by JDH Auction Enterprises with final decisions to be at the Sale Manager's discretion.
