

Fellow Angus Breeders,

It is hard to believe that it is already time to be thinking about our 2026 Missouri Angus Futurity. The sale will once again be held at the Trowbridge Livestock Center on the University of Missouri Campus. **Live cattle will be present and going through the sale ring.**

The Missouri Angus Association currently stands as the largest state association in the entire breed! The passion among Missouri Angus breeders holds truer today than ever as they continue to produce some of the highest quality Angus genetics in the country. I am excited to be serving the membership once again as the sale manager for the Missouri Angus Futurity.

The 69th Missouri Angus Futurity Sale will be Saturday February 21st, 2026, at 11:00 AM in Columbia, MO at the Trowbridge Livestock Center. This sale's focus is to market elite bulls, females, pregnancies, and frozen genetics from breeders across the state.

I would like to challenge each breeder to dig deep into their respective herds and consign cattle or genetics that will continue the highly respected tradition of the Missouri Angus Futurity. Cattle will be screened for Futurity by the sale manager. **Cattle consigned must be genomically tested. Please have DNA on all potential consignments submitted as soon as possible as the turnaround time for DNA results can be a lengthy process. ALL DNA must be done prior to the printing of the sale book!** If you are interested in consigning, please contact Jordan Hunter with JDH Auction Enterprises to come and view your potential consignments.

A list of rules for the sales can be found online at missouriangus.org/events/applications-forms/ or by following the QR Code link at the bottom of this letter. Please read over these rules prior to making your consignment. **As the sale date approaches, meeting deadlines will be a key to our success.** Entry deadlines for the 69th Missouri Angus Futurity are as follows:

Consignment Form Deadline: 12/13/2025

Picture Deadline: 12/21/2025

Video Deadline: 2/1/2026

Each consignment **MUST** have its own consignment form, and each consignor **MUST** submit consignment forms to the sale manager by the requested consignment form deadline above. **NO EXCEPTIONS! Please note that late consignment forms, pictures, and videos hold up the process not just for one consignor, but all consignors. These deadlines are set into place to ensure the sale book is mailed out and available on time. Please respect your fellow members by adhering to these dates.** I look forward to seeing your consignments as I make my Fall Missouri tour.

Sincerely,

Jordan Hunter
